## Price, Curet Enter Runoff

### Incumbents Fare Poorly at Polls

Veteran police officer Gerald V. Price Sr. and former Mississippi Highway Patrolman Fred Curet Jr. are slated to square away for the sheriff's post in what promises to be a closely contested second Democratic primary Aug. 25.

Price, trailed by Curet by less than 100 votes in unofficial returns from 24 of Hancock County's 25 precincts, led in Tuesday's initial primary over a field of seven opponents. The count at 1 p.m. stood at Price, 1,210, and Curet 1,181. H. (Bully) Zengering, making his first bid for elective office, polled a surprising 825 votes for third place—well short of a second chance.

While major interest in the county centered about the sheriff's race, the battle for superintendent of education was the closest. With one precinct missing, former superintendent K. G. McCarty held a two vote lead over incumbent E. E. Breland while Robert F. Ladner, recently deputy principal of Gulfview School, was another vote back. The county: McCarty, 1,778; Breland, 1,776; Ladner, 1,775.

Crane Creek, where election officials sealed both copies of the tally sheets in their ballot boxes was expected to determine the runoff candidates. There are 264 voters registered there.

While Breland faces trouble in his bid for reelection, the same pattern was prevailing with several other present officeholders causing veteran observers to comment on the independent manner of voting in this primary.

Attorney Walter James Phillips, seeking an unprecedented third term as state representative, succumbed to Clarence Ladner of Fenton, 2,410 to 2,904. Ladner was the loser in this race four years ago.

A. C. Mitchell, clerk of courts for the last 12 years, was overwhelmed, 3,313 to 2,113 by Claiborne Ladner, present tax assessor, for the chancery clerk's post while Sheriff Sylvan J. Ladner Jr., bidding for the newly created circuit clerk's job, was nosed out, 2,821 to 2,502 by Lamar Otis, long-time secretary of the County Democratic Committee.

In the race for the State Senate seat from the 40th Senatorial District, Henry W. Osoinach Jr. of Bay St. Louis got into a runoff with former Senator Quintan Lott of Purvis. Unofficial and incomplete returns from Hancock, Lamar and Pearl River Counties gave Osoinach, who racked up 1,990 votes here, 2,933 to 3,267 for Lott. Listed as third was

### Hubbard's 2nd Primary Foe in Doubt

R. G. Hubbard with 1,150 votes led the nine candidates for Beat 5 Supervisor, but was 290 votes short of a clear majority in Tuesday's Democratic primary.

In the second primary on Aug. 25 he will face either Fred Bourgcois Sr., who unofficially polled 362 votes, or August J. Scaffidi, presently credited with 359.

Scaffidi appeared the probable second man until the last precinct, Waveland, reported about midnight last night. In Waveland Bourgcois received 213 votes to Scaffidi's 8. With only three votes separating them Scaffidi is expected to ask for a recount in case the poll officials in their weariness made some mistake.

One Beat 5 JP race was decided when Nelius Rhodes polled 1,575 votes. Russell Elliott with 1,187 votes and Randolph Bourgcois Sr. with 1,036 were well ahead of the other candidates and will face each other in the second primary for the remaining JP post.

Waveland's heavy voting precinct carried incumbent Herman Mazarakis into the second primary for Beat 5 constable against Arthur Garcia, who led the five-man race with 1,062 votes. Until Waveland reported Nolan A. Kingston (683) had a 78 vote lead over Mazarakis (741).

In Beat 1 incumbent Charles Russ Jr. with 324 votes was re-nominated for supervisor over two opponents. The JP nomination went to Lester Hower with 379 votes to C. E. Martin's 245, while Harlan G. Dean with 357 beat out Joseph E. Bennett who polled 285 votes for constable.

Incumbent Mrs. Samantha Keller led the race for supervisor of Beat 2 with 164 votes but will face L. M. Frierson, 132, in the second primary.

Beat 2's JP race found C. W. Brunson, incumbent, with 212 votes leading Clifton Seal, 175, and Jordan Mitchell, 68. Brunson and Seal will be in the runoff. For constable, Clarence Wheat, who led with 218 votes, will oppose Horace Craft, second with 89 votes, in the second primary. Prentiss Lott and Orville Thigpen received 77 and 74 votes respectively.

Incumbent Jack Lott trailed James A. Nease, 390 to 430, for the Beat 4 Supervisor nomination. A. Frank Selph was nominated for JP there with 524 votes to Harold Lester Coppel's 449 and Earl E. Ladner's 331. Marvin J. Bohinger, 437 votes, will face George Moran, 385, in the second primary for constable. The third candidate, Leroy L. Lee, received 194 votes.

Incomplete returns for Beat 3, Crane Creek precinct missing, give the following: for supervisor, Ares J. Hoda Sr., 125, Charles J. Lavinghouse, 135, Johnson Shaw, 123, for JP, A. D. Ladner, 139, Burnis Ladner, 246, for constable, L. L. Dedaux, 187, D. C. Ladner, 66, Gaston Ladner, 61, and Melvin J. Ladner, 69. Observers at Crane Creek

## Summer Homes Broken Into

Four housebreakings and robberies of summer homes in the county were reported by law enforcement officers during the past week.

A five-foot cypress fence post was used to break through a locked screen door between 7 and 10:30 p.m. July 24, at the Dan Gilman home on Lower Bay Road. Stolen were brief case containing high alloy steel dies and high speed cobalt steel samples, a 17-jewel Gruen wrist

watch and two six-inch glass fishing rods, and other items according to Deputy Sheriff Carl Garcia, investigating officer.

Garcia said that two homes on Waveland Avenue outside Waveland city limits were burglarized sometime July 31. One, belonging to Landry Adams listed a table model radio missing. Owners of the other property were away and could not be identified.

The Louis A. Barattini Jr. residence on Jordan River Oaks was robbed for the second time this month when a one and one half ton air conditioner was taken sometime July 31. Two batons were stolen from Barattini over the July 4 weekend.

An entire wardrobe of women's clothing, an old model fan, a radio and television set were stolen July 30 from Mrs. Thelma McMurray Tally's home on Railroad Avenue. Garcia and Waveland marshal, Fred Bourgcois said entrance was made after breaking a window in the back door.

Child Is Burned In Hot Bath Tub

Joey Beasley, one and a half year-old son of Mrs. Francis Beasley of Sears and Fourth Streets, Waveland, suffered first and second degree body burn Sunday when he was scalded by hot water in the bathtub.

He was rushed by Fahey-Whitfield ambulance to Gulfport Memorial Hospital, where he is reported to be convalescing satisfactorily.

The youngster climbed into the tub and turned on the hot water, according to Mrs. Donald Down, sister of Mrs. Beasley.

We're Growing

A new business in the Bay area is Peter's Septic Tank Service, recently started by Peter Hedrick.

Democratic Committee canvassed this week Charles A. Russ Jr. with 324 votes for supervisor faces a runoff with Matt Miller, who fully polled 96 votes.

## U.S. 90 Mishaps

ed Last Weekend

traffic accidents on the Bay area were over the weekend.

The first was a three-car pile-up on Friday morning when a car driven by Gerald J. Price, 17, pulled from the service lane at Dunbar into the eastbound lane.

Another car, traveling between the Terito auto and Falin escaped damage by braking and sliding around Favre's car. Falin said the horse-trailer in which he was hauling a recently purchased \$2,500 stock horse, made maneuverability and braking difficult.

Justice of the Peace Nolan Ladner fined Falin \$14 on charges of following too close and reckless driving. Young Favre was also fined \$14 for failure to yield the right of way. No charge was placed against Terito.

A local garage owner at the accident scene estimated damage to Favre's and Falin's cars was total, with \$500 to the Terito car.

Three Hattiesburg residents were injured about 7 p.m. Friday when the 1959 model automobile in which they were riding went out of control on U. S. 90 and crashed into the sign post in front of Scaffidi Brothers Service Station.

Treated at Hancock County Hospital and released were Ethel McMillin, 47, operator of the auto, who sustained a fractured right ankle and a possible rib fracture. Passengers were Mrs. Annie McMillin, 81, laceration, contusion and abrasion of the left arm and sprain and contusion of left shoulder, and C. A. Dial, 54, laceration of forehead, face and arms.

## Mrs. Garcia's Cereus Blooms

Mrs. Arthur Garcia of 227 St. Charles St. is the proud owner of a very unusual plant. Her night-blooming cereus, a tropical plant, last week came into full bloom with nine of the silky white blossoms. It is very rare to have more than two or three of the blooms on a cereus at one time. Mrs. Garcia said the Cereus is about ten years old.

## Adams to Preach For Methodists

The Rev. L. Adams, son of Lt. Comdr. and Mrs. J. B. Goldsmith and minister of the Word Key, Biscayne Presbyterian Church in Miami, Fla., will be guest speaker at Main Street Methodist Church at 7:30 p.m. Sunday.

Mr. Adams spent his boyhood in Bay St. Louis and was a member of the local church. Since entering the ministry, he has had evangelistic experience with the Billy Graham Team in the New York Crusade and is a graduate of Columbia Seminary.

## Physicals Slated

Pupils entering the first grade at Loggans, North Central and Gulfview schools are to have pre-school physical examinations from 10 a.m. to 4 p.m. Wednesday at the county health department, 118 Central Ave.

## Sullivan Leads Here But Loses

Clarkdale attorney Charles L. Sullivan polled a 200 vote lead over the two other major aspirants for governor in unofficial tabulations from 24 of Hancock County's 25 precincts in Tuesday's balloting.

Sullivan received 2,184 votes to Carroll Gartin's 1,981 and Ross Barnett's 1,092. Robert Mason tallied with 56 votes.

Although Sullivan received a heavy show of confidence in the coast counties, he ranked third in an unofficial state total. Jackson attorney Barnett in his third attempt for the governor's seat and Lt. Gov. Carroll Gartin were close in their 20,000 lead on Sullivan and it appeared the two would be in the runoff on Aug. 25.

In the race for Lieutenant governor, Paul B. Johnson led Hancock County with 3,380 votes. Following him were William Henry Bucklew with 1,004; Armis E. Hawkins, 558; and Brown Williams, 416.

S. E. "Stu" Corley led with 2,749 votes against Dr. J. V. Duckworth's 2,281 for commissioner of agriculture and commerce.

A landslide of 3,181 for Robert E. "Bob" Graham led the county tally for state land commissioner. Following were Malcolm Montgomery Sr. with 966 and C. M. (Coomie Mack) Loyd with 686.

The present state superintendent of education, J. M. (Jack) Tubbs, led the county with 3,203 against Dr. G. L. (George) Tuxar.

Frank B. Pittman led with 2,502 votes to his opponents, Evelyn Gandy, 1,470, and Leeland Speed, 1,095, for state treasurer.

A strong backing gave William Winter 1,464 votes for state tax collector. His opponents were William E. (Bill) Andrews Jr., 1,236; John Whitfield Birdsong, 630; Charles P. Mosby Jr., 510; R. E. "Rusty" Guymon, 329; Charles W. Pitts, 247; William R. (Billy) Prester Jr., 237; Wayne McClure, 130; Lee V. Priscock, 99; and D. R. Peele, 69.

W. E. "Bucky" Moore led the county with 3,662 votes to Tom Brock, 1,232, for public service commissioner, Southern district.

John D. Smith, present highway commissioner for the Southern district, led with 2,388 votes in Hancock County for reelection. Tom Roper polled 1,301; B. C. Batson, 977; Willard L. Richardson, 445; and C. A. (Dutch) Hillman, 97.

Three committeemen are to be elected to serve on the ASC committee for the next twelve months in balloting today at 6 p.m. in all precincts throughout the county. Polls close at 5 p.m.

## Correction

In last week's Echo the phrase "Pd. Pol. Adv." was inadvertently omitted from an advertisement for August J. Scaffidi, candidate for supervisor, Beat 5. Responsibility for the omission lies entirely with the Sea Coast Echo.

## Georgi Climbs Back To Tie Trapani Ten

Georgi's ten emerged back in a tie for first this week with Trapani's after several weeks at the second slot in Bay Softball League play.

REA ending up in fourth place, got the long end of the stick in a standings swap with Southern Realty, other teams remain in the same slots with all but C and S dropping behind in games.

Sunday night the league made up three games leaving only two makeup games to play. In the opener C and S beat Youth Center 10-2, Bea Georgi's edged past a hard playing Regal crew 10-7, and REA blasted Stiefel 23-8, in a late game push. Thursday night's games between Stiefel and Youth Center and Bay KC's and REA were rained out. Election night Trapani's just beat Southern Realty 4-3 and Georgi's hit REA for an 8-4 loss.

C and S goes against Regal in tonight's opener with KC's and Stiefel also on the card. Friday night will see REA playing Southern Realty and Youth

Center against Georgi's. Tuesday night Stiefel plays Regal and C and S goes against Trapani's in what probably will be one of the outstanding games of the season.

In Youth League play, Coach Happy MacDougal reports his boys lost to St. Williams this week 10-5. They plan to have a double header with the St. Williams boys Saturday at the Carroll Avenue field.

## Plane Grounded Sullivan Arrives Late for Rally

Inclement weather grounded the plane carrying gubernatorial candidate Charles Sullivan in Memphis Saturday, forcing him to cancel his 2 p.m. speaking engagement in Bay St. Louis.

He was able to secure another plane into Piquette and arrived at Bay St. Louis at 5 p.m. He continued to White Cypress Church Fair where he was scheduled to be at 4 p.m. and spoke to a rain-soaked crowd of 300 to 400 Hancock Countyans.

Sullivan also spoke to some 400 at Lizana later in the day. Candidates speaking at Bay St. Louis before Sullivan's arrival were Tom Roper, southern district highway commissioner; Malcolm Montgomery, Sr., state land commissioner; and Brown Williams, lieutenant governor.

Meanwhile, Sullivan's brother, Floyd, came to Bay St. Louis Monday night, election eve, to speak in his behalf at an anniversary rally at St. Stanislaus Stadium sponsored by Earl Ramond, candidate for Beat 5 supervisor. An estimated 2,000 persons attended.

Sullivan briefly reviewed the candidate's war record and went on to the issues of the governor's race. He promised that when Sullivan leads the state Democratic party to the national convention in Los Angeles he will use all his influence to keep the Democratic party from going through with anything that is against the traditions of segregation.

Sullivan told the large crowd, "The only solution to the liquor problem is to legalize. 'I am ashamed of the state of Mississippi', Sullivan said, referring to the black market tax on liquor. He said one day a person pays tax on a bottle of whisky and the next day the state comes along and takes it, and keeps the money. 'Is this fair? Do you not expect the same honesty from your state that you do from your neighbor?'"

The rally for which Joe Benvenutti, local attorney, acted as master of ceremonies, commemorated the Ramond's 18th wedding anniversary. Ramond, in his address, continued his criticism of R. G. Hubbard Jr., present supervisor from Beat 5 whom he is seeking to unseat.

## Conservation Checks Being Paid Farmers

Hancock County farmers who have performed approved soil and water conservation practices under the 1959 Agricultural Conservation Program are now receiving their checks for carrying out the practices, according to Mary E. Favre, ASC County Office Manager.

Due to a change in policy, farmers are receiving their checks six to eight months sooner than in prior years. The payments now being made are the government's share of the cost of ACP conservation practices which were completed prior to June 30. Not all farmers who have carried out the practice will receive a check, since purchase orders were used by many to buy the needed seed, lime, and fertilizer and to pay for earth moving and timber stand improvement work. The use of purchase orders allows a farmer to secure what he needs to complete an approved practice without having to advance all the cash himself.

Under the ACP the farmer bears the cash cost of approximately 50 per cent, furnishes the machinery and performs the labor. The government pays the remaining part for the materials used in performing the practice. The ACP is an incentive program to get more conservation on individual farms than would be possible if farmers were to depend entirely on their own resources.

Cover Electric's softball team won over two opponents to cap the White Cypress Trophy last Sunday. Then Sunday night they made it five wins for the day with a 2-7 defeat of Skiff in local league play.

The five games in one day seemed to take all the baseball out of them, though, as they played Hethers hall in losing to B. George Tuesday 8-4.

## U.S. 90 Mishaps...

(Cont. from Page 1) The accident, as witnessed by James Page, an attendant at the Hi-Way Drive in opposite the service station, occurred when the westbound McNamee auto crossed over into the left lane of U. S. 90, averaged back onto the right shoulder and then crossed the highway and crashed into the sign post at the service station. Patrolman J. Y. Thomas investigated. No charges were

pressed against the driver. A car, driven by Mrs. Virgie Lee Little of Molino, Fla., collided with a trailer-truck, operated by Harold T. Troclair of Groton, La., at 4 p.m. Saturday on U. S. 90 two miles west of Bay St. Louis. The Troclair truck had pulled into the Bees Candy Shop driveway to turn around and re-entered the highway, striking the right side of the eastbound Little car, according to Patrolman George Saxon.
